

Katia Pasini

UX/UI Designer · Product-oriented

[Portfolio ↗](#)

Lead UX/UI Designer with 4+ years of experience designing B2B digital platforms. I collaborate with front-end developers and Product Managers to deliver complex products. I have optimized workflows, reducing task completion time, and improved user satisfaction through shared design systems and iterative usability testing.

METHODOLOGY

Design Approach

01 Research & Analysis

User Flows, Data, and Needs Analysis

02 Problem Definition

Synthesis & Identification of Pain Points

03 UX/UI Design

Wireframing, Prototyping & Interface Design

04 Testing & Iteration

Usability Testing & Continuous Improvement

CAREER PATH

Experience

Aigot S.r.l.

2021 – today

Current

Lead UX/UI Designer

CONTEXT

B2B SaaS platform with complex workflows and a business user base.

KEY ACTIVITIES

- Collaborated with front-end (4 developers) and back-end (3 developers) teams to finalize the product.
- Led UX/UI design for the entire platform.
- Conducted quantitative analysis of workflows using event tracking and funnel analysis to identify pain points.
- Designed wireframes, interactive prototypes, and a design system in Figma to ensure UI consistency.

OUTCOME

Delivered more functional, consistent, and user-centered solutions, improving overall product quality and delivery.

Freelance

2020 - 2021

UX/UI Designer

MAIN RESPONSIBILITIES

- Designed and delivered 8+ digital projects for SMEs and startups (e-commerce, landing pages, apps,...)
- Created wireframes, interactive prototypes, and design systems to ensure a consistent visual identity.
- Conducted user research and usability testing to validate design solutions before development.

Sisal S.p.A

Stage 2019

Junior UX/UI Designer

MAIN RESPONSIBILITIES

- Supported the redesign of interfaces for a POS management system.
- Created interactive prototypes and participated in usability testing sessions with end users.
- Collaborated with the product team to translate user feedback into concrete UI improvements.
